

PARTICIPATION RELEASE

As with the transmission of any communicable disease like the cold or flu, you may be exposed to Covid-19, also known as Corona Virus, at any time or in any place.

Despite our careful attention to sanitizing, disinfecting and social distancing at BDSS, there is always the chance that you could be exposed to an illness at the studio, just as you might be at the gym, grocery store or favorite restaurant. Although we have taken extra measures to provide social distancing and contactless participation, please know that participation in BDSS classes is **AT YOUR OWN RISK.**

Although exposure is unlikely, do you accept the risk and consent to participation?
